

INTERNAL / EXTERNAL JOB POSTING

**KSR has an immediate opening for a
Program Manager**
Automotive Testing Advisory Service GmbH

Job ID #KSR.2022.01

Reporting To

Director Global Program Management and Advanced Quality Engineering

Qualifications

- University or College Degree, or PMI PMP Certification and associated automotive program management experience
- 5 years' experience in program management, minimum
- Familiar with:
 - o Automotive products and standards
 - o Automotive manufacturing processes
 - o General automotive product development cycle
 - o APQP
 - o Quality standards IATF 16949, ISO 26262
- Language/writing skills – fluent German and English

Job Responsibilities

- Successful launch of products into serial production by planning, organizing, and coordinating resources. This includes management of a program as it relates to timing, design, quality, cost, and budget.
- Coordinate customer communications and manage customer expectation within the KSR cross-functional team (CFT) (i.e. engineering, manufacturing, plant, prototype, APQP, etc...) ensuring all parties understand and meet these expectations.
- Create overall program timing plan with agreement from cross-functional team members.
- Ensure customer driven pre-launch engineering changes are completed with neutral or improved commercial impact, and internal driven engineering changes have minimal commercial impact on the project.
- Lead CFT meetings with the intent to meet program milestones and deliverables or negotiate alternative timing with the customer and KSR program team.
- Ensure kick-off, preparation and installation of all production machines, tooling, gauges, and fixtures to allow adequate time for de-debugging, operator training and trial builds to facilitate successful customer production trials and sign-off.
- Build customer relationships and establish contacts to promote KSR's future growth including but not limited to, engaging in regular meetings and travel to customer sites.

INTERNAL / EXTERNAL JOB POSTING

How to Apply

Interested applicants can apply by:
